

2017 INDUSTRY OF THE YEAR AWARD NOMINATION CRITERIA

Kyndle is now accepting nominations for the 2017 Industry of the Year Award for Henderson, McLean, Union and Webster counties. This is a special recognition for an outstanding manufacturer or large company in each of those counties that is a Kyndle stakeholder or a member of their local chamber of commerce. The recipients will be honored at a luncheon at 11:30 a.m. on Monday, Oct. 30, 2017 at the Preston Arts Center at Henderson Community College.

Nominated companies should:

- Strive for growth of the workforce as well as stability of those already employed.
- Exemplify creative leadership for programs offered to employees for educational enhancement and workforce development.
- Promote employee involvement in the many community organizations whose goals are to assist others in need and enhance the community.
- Support community projects with corporate sponsorship, including matching employee/employer programs.
- Be a leader in the support of local businesses through the purchase of local retail products and services.
- Maintain their buildings and property in an aesthetically favorable manner.
- Be a Kyndle stakeholder or Chamber of Commerce member in McLean, Union or Webster counties.

To nominate a company, please have all pertinent information explaining how the industry follows the above criteria to the Kyndle office by the close of business on Wednesday, Oct. 4, 2017. You can mail information to Kyndle, P.O. Box 674, Henderson, KY 42419-0674 or email it to info@kyndle.us.
